

## 15th Street Swale Renewal Update

Last year, when we had the parking lot resurfaced, we had to put STOP signs at all of our exits to 15<sup>th</sup> Street to get the permit closed by Lauderdale By The Sea. We tried to get a variance to no avail. However, we did get the town to agree to removing the trees that were hitting the power lines on 15<sup>th</sup> Street and regrade and replant the swale on 15<sup>th</sup> Street. This is the result of the efforts so far:
